Have you heard? The Downtown Algonquin Partnership merchants' association is holding its 5th annual Farmers Market in the Village's historic Old Town District this summer.

The market runs from 2:00pm to 7:00pm every Thursday from May 26 through September 29. The farmers market will be held in Riverfront Park on N. Harrison Street this year, with scenic views overlooking the Fox River. As a special fall treat, the Farmers Market will conclude on October 8 with the annual Old Time Country Harvest Festival that will feature free games for kids, a pumpkin contest, craft fair, and other autumnal delights.
