

ALGONQUIN AND CARPENTERSVILLE

WE WANT TO HEAR FROM YOU!

Wednesday,
January 21, 2015
6:30 to 8:00 p.m.

Carpentersville Public
Works Building
Main Conference Room
1075 Tamarac Drive
Carpentersville, IL 60110

The Villages of Algonquin and Carpentersville are moving forward with the creation of a plan for the Fox River Corridor. The goal of the plan is to increase access to the river, enhance connectivity and recreational usage, improve water quality, and enliven the downtown areas in Algonquin and Carpentersville. The plan will cover an area along the Fox River from Klasen Road in Algonquin to the north to Carpentersville's southern border. It will focus on land along the river and help implement recommendations of recent downtown plans for Algonquin and Carpentersville.

Now is time to build upon the success of the initial public meeting in July, when participants helped identify the issues and strengths of the Fox River area.

Please join us on **Wednesday, January 21** for a visioning workshop and help determine how the area along the Fox River will look in 2030.

This workshop is a great opportunity to share your vision and discuss the future of the Fox River corridor with your family, neighbors, and friends.

Join us and spread the word about the January 21 meeting — everyone is welcome!

RSVP to Ricardo Lopez at rlopez@cmap.illinois.gov or 312-386-8766.
