FOR IMMEDIATE RELEASE

October 03, 2017

Construction Announcement
Pavement Maintenance of Algonquin Road

Algonquin / Lake in the Hills, Ill. – McHenry County annually maintains portions of the County Highway System to provide a safe and quality riding surface for the motoring public.

Pavement patching of Algonquin Road between Randall Road and Illinois Route 31 has been included in this year's pavement maintenance program.

The work is scheduled to start Monday, October 9th, weather permitting and will take approximately three weeks to complete.

This work will be performed at night and utilize intermittent night time lane closures between the hours of 7 PM and 5 AM.

The McHenry County Division of Transportation apologizes for any inconvenience, and is appreciative of your patience and understanding during the construction of this important improvement to the local highway system.

For more information, please contact Jim Werner, MCDOT Construction Manager, at (815) 334-4968.
