Village of Algonquin

Calendar & Annual Report

2024

Every year, the Village of Algonquin provides an annual report to its residents and businesses in a calendar format. Your Village elected officials and staff hope this document serves as a valuable tool in the new year while reflecting on the many accomplishments of 2023 and looking forward to those to come in 2024.

Ted Spella Leadership School graduates 16.

The leadership school, named after former Algonquin Village President Ted Spella, brings together a cross section of participants who are eager to expand their community involvement. This includes participation of “up and coming” leaders as well as existing leaders who want to enhance their role in the community. In 2023, the Ted Spella Leadership School graduated its fourth class which includes 16 individuals who are poised to take on new and expanded roles in the community. Additionally, the Village launched its fifth Ted Spella Leadership School Class in 2023 with 14 participants.

Comprehensive land use plan update underway.

The Village’s Comprehensive Plan is an expression of the community’s vision for the future and a strategic map to reach that vision. Comprehensive planning is an important tool to guide future development of land to ensure a safe, pleasant, and economical environment for residential, commercial, industrial, and public activities. The process of developing this plan is a community-wide effort. All interest groups play a part in delineating this vision. The Village’s current plan was last updated in 2008 and is being refined to better reflect modern market conditions and incorporate other Village priorities and objectives from other program and infrastructure planning documents.

Towne Park and Presidential Park improvements coming soon.

Work on two of the Village’s most popular community parks, Towne Park and Presidential Park, continues to progress. Towne Park’s planned renovation will include a new performing arts pavilion, walking trail with a riverwalk connection, expanded restroom facilities, and a renovated playground. Presidential Park’s improvements will include a sport-themed playground, workout station, challenge course, and three new ball fields including artificial turf infields, one of which will feature stadium seating and an electronic scoreboard. These projects would not be possible without their combined \$1 million dollars in OSLAD grant funding. Construction on both parks will begin in 2024.

New places to shop, dine, and play!

The Village welcomed many new businesses to our community in 2023. Pickle Haus opened its flagship location and filled a key vacancy at the Galleria. The Commons welcomed Sweet Basil Cafe, Kids Empire, and Popshelf to name a few. Elsewhere on Randall Road, CarMax opened at the southeast corner of Randall and Huntington Drive. Rosen Hyundai finished construction on its expansion at Randall Road and Harnish, and is now underway on a remodel of its Genesis facility. On the east side of the Village, the construction continues at the former Brunswick site to transform it into a multi-pad project offering a new Popeye’s restaurant, car wash, and self-storage facility.

Investment in the Corporate Campus.

NorthPoint Development’s project is well underway at the southwest corner of Randall Road and Longmeadow Parkway. Phase I includes more than 700,000 square feet of the planned 1.6 million square-foot campus and the construction of key infrastructure to support the project, including a new traffic signal at Broadsmore Drive on Randall Road, adding a third lane to Randall Road, and the creation of a public road network serving the campus. Both Buildings 1 and 2 of the planned 5-building campus received final occupancy approvals, and the center has its first tenant in LX Hausys, a premium interior finishing company. Once completed, these projects are projected to create more than \$10 million in new annual tax revenues for Algonquin area taxing bodies.

Investment in public infrastructure improvements.

Bunker Hill was rehabilitated from Sherman Drive to Greens View Drive, with improvements including new asphalt pavement surface, pedestrian safety features at crosswalks, drainage repairs, and bike path replacement. The Village constructed its first-ever roundabout on Main Street. The project also included new bike path, reconstruction of Main Street with curb and gutter, and Streetscape improvements to North Harrison Street.

The village added to its green infrastructure network with the Dixie Creek restoration project, stabilizing 1,750 lineal feet of eroded streambank and restored almost ten acres with native plant species, reducing further erosion, flooding, and water quality issues.

These projects would not have been possible without funding from the Illinois Department of Commerce and Economic Opportunity, McHenry County Council of Mayors, Illinois Transportation Enhancement Program, and the McHenry County Department of Transportation.

Art on the Fox has a successful 2023 event.

The September fest showcases the work of 75+ of the nation’s top juried artists, along with live musical performances and family-friendly activities including sand art, face painting, a graffiti wall, and an interactive kid’s art tent. There is something for everyone, from great art and food, to the wonderful stores and restaurants in our community.

Algonquin receives Tree City USA award.

The Arbor Day Foundation announced that the Village of Algonquin is again named a Tree City USA community for its commitment to urban forestry. This is the 27th year in which Algonquin has received this designation. The Village is responsible for the maintenance of over 21,000 parkway trees.

Algonquin wins the Triple Crown.

The Government Finance Officers Association’s Triple Crown recognizes governments who have received GFOA’s Certificate of Achievement for Excellence in Financial Reporting, Popular Annual Financial Reporting Award, and the Distinguished Budget Presentation Award. The Village was one of a handful of local governments in the nation to receive this distinguished recognition.

Form of Government

The Village of Algonquin is formally organized under the Trustee-Village form of government and combines the strong political leadership of elected officials (in the form of the Village Board) with the professional experiences of an appointed local government administrator. The Board consists of a President, six Trustees, and a Village Clerk, elected at large to serve overlapping four-year terms. The Board appoints the Village Manager to carry out its directives and oversee the delivery of public services. The Village Manager also supervises the daily operations of the Village and all of its departments.

In 1995, the Board passed an ordinance that modeled the Village's government after the Council-Manager form. According to the Illinois City/County Management Association, "Under the council-manager form, power is concentrated in the elected council, which hires a professional administrator to implement its policies. This appointee serves at the pleasure of the council and has responsibility for preparing the budget, directing day-to-day operations, personnel staffing changes, and serving as the council's chief policy advisor."

A bioswale is a vegetated open trench designed specifically to temporarily store and infiltrate stormwater. Bioswales are planted with deep-rooted native grasses and forbs that enhance infiltration, cooling and cleansing of stormwater run-off in order to improve water quality. This picture shows a bioswale that was installed at Presidential Park to capture stormwater run-off from Highland Avenue and the park bike path. Bioswales help reduce runoff volumes and rates by slowing water down through the vegetation allowing groundwater to recharge while also infiltrating and cleaning any stormwater that runs off site to receiving creeks and rivers.

WATER SYSTEM STATUS

Check signs posted throughout town, check the Village's website (www.algonquin.org), or call 847-658-2700 to check the current water status. Status regulations are as follows:

CONSERVATION: Green signs indicate outside water use is permitted except for watering landscaping and lawns, which is prohibited between the hours of 9:00 am and 6:00 pm.

EVEN/ODD: Yellow signs indicate even/odd days for watering before 9:00 am and after 6:00 pm. Even addresses may only water on even calendar days and odd addresses may only water on odd calendar days, before 9:00 am and after 6:00 pm.

EVEN/ODD 6:00-9:00 AM: Orange signs indicate even/odd days for watering only between the hours of 6:00 am and 9:00 am. Even addresses may only water on even calendar days and odd addresses may only water on odd calendar days from 6:00 am to 9:00 am.

RESTRICTED: Red signs indicate no outside water is allowed at any time. This includes all use of water outside, such as washing vehicles, power washing, and watering landscaping.

The Village has a zero tolerance policy for illegal watering and tickets will be issued for illegal watering.
