

Bike Algonquin

The Village of Algonquin is committed to enhancing access to our community by providing an adequate and integrated system of bicycle trails and routes. The Village recognizes the need to encourage bicycle travel for both leisure and as a viable, active, and environmentally sustainable transportation option while assuring safe and reliable access to all areas of Algonquin.

Check out www.algonquin.org/bike to find most everything you need to know to help you Bike Algonquin!

Rain Garden planting at water treatment plant on Academic Drive.

Bike Algonquin

Rain Garden Run

This 2.7 mile route is perfect for individuals and families looking to learn more about wetlands and rain gardens. Informational signage is located by the rain garden.

This route is predominately trails, with a stretch on a residential roadway. Riders will experience a fairly flat ride. For more information, please visit www.algonquin.org/bike.

Kelliher Park

Located at 800 Square Barn Road. This park provides a great start/end to the bike ride. The park includes restrooms, drinking fountains, parking, and a playground.

Wetland Complex

Manchester Lakes, the School Campus and Kelliher Park were all built around a large wetland complex. The wetlands have been preserved and continue to serve a vital role in the ecosystem, cleaning water and providing habitat.

D-158 Square Barn Rd Campus

You will ride along Academic Drive and see District 158's Square Barn Road School Campus complete with 2 elementary schools, 1 middle school, administration building, bus parking, and room for future schools.

Rain Garden

The Village of Algonquin has planted a rain garden at the water treatment plant. The rain garden is a pilot project to show how rain gardens work. Rain water is collected in the garden and filtered by native plants as the rain water soaks into the ground.
