

## Bike Algonquin

The Village of Algonquin is committed to enhancing access to our community by providing an adequate and integrated system of bicycle trails and routes. The Village recognizes the need to encourage bicycle travel for both leisure and as a viable, active, and environmentally sustainable transportation option while assuring safe and reliable access to all areas of Algonquin.

Check out [www.algonquin.org/bike](http://www.algonquin.org/bike) to find most everything you need to know to help you Bike Algonquin!

Wetlands help to clean water and provide habitat for many plants and animals.

## Bike Algonquin

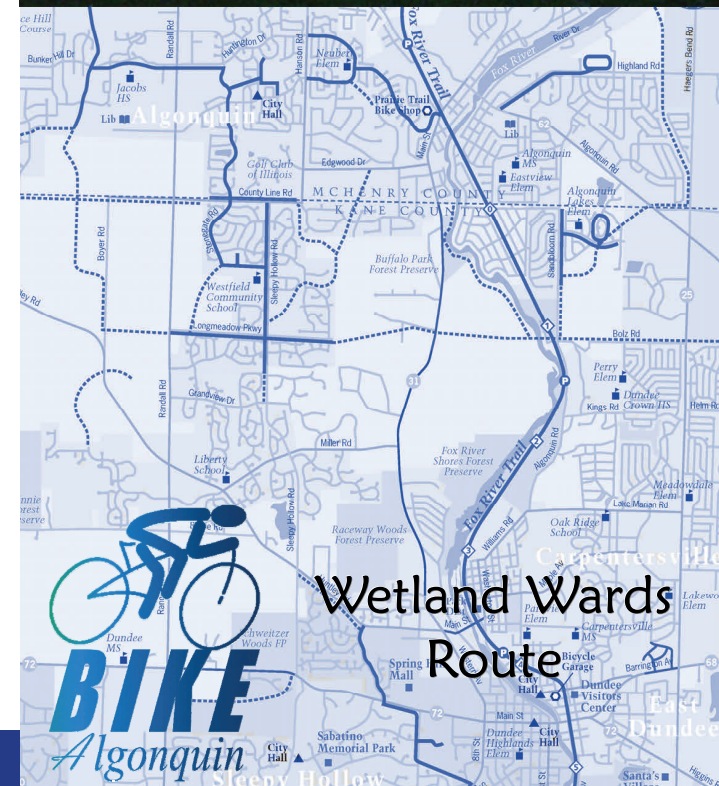

## Wetland Wards Route

This 8 mile route is perfect for individuals and families looking to learn more about riparian areas and creek functions right here in Algonquin! Informational signage is located at the parks and there are a few places to stop and take a break.

This route is predominately on-road trails, with a few stretches on off-road trails. Riders will experience some hills on this route. For more information, please visit [www.algonquin.org/bike](http://www.algonquin.org/bike).

## Arbor Hills Park

Arbor Hills Park and Stonegate Wetland is located on Stonegate Road. This area has been restored by the Village and is now a vibrant ecosystem that provides a home for terrestrial and aquatic species. The wetland helps to reduce flooding and cleans water.

## Falcon Ridge Park

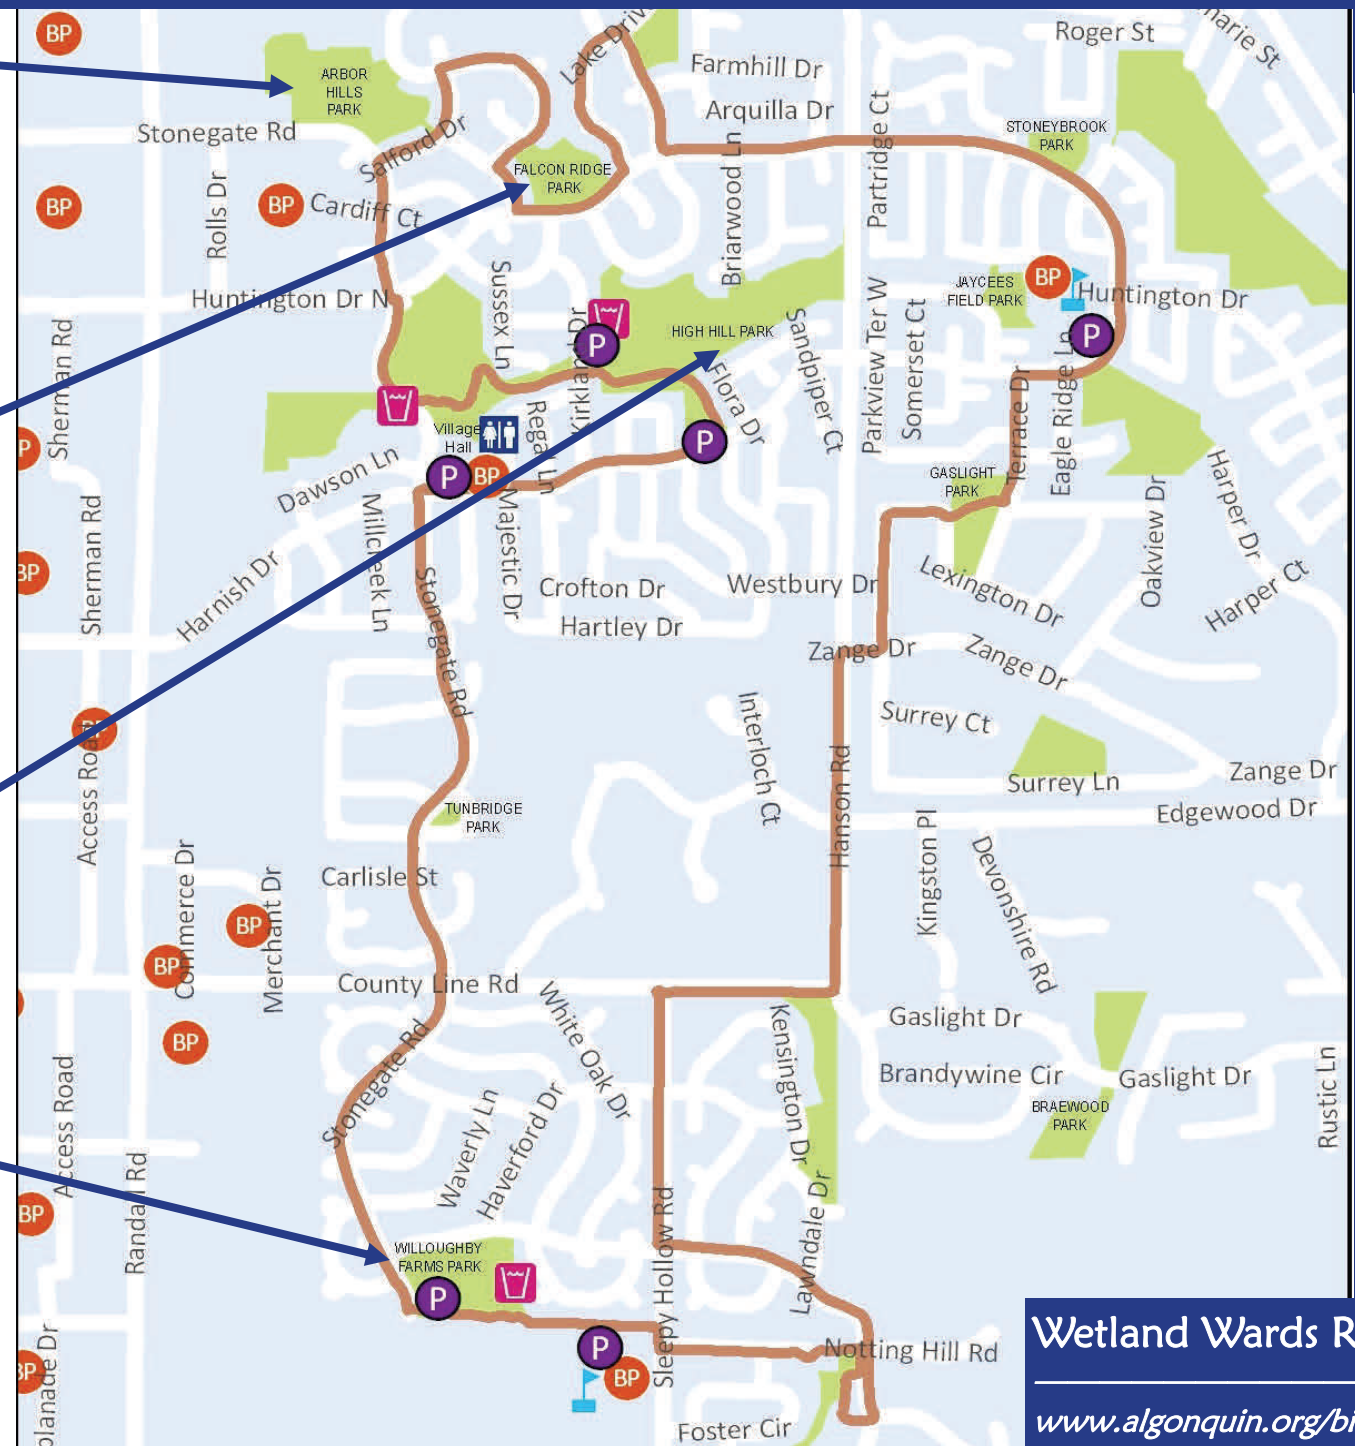

Located on Huntington Drive this restored natural area includes upland prairie and wetland areas. The wetlands are vital to improving water quality and preventing flooding. Enjoy the wildlife and native plants that abound.

## High Hill Park

High Hill Park on Harnish Drive offers a playground, parking, ball fields, and trails along the natural area with interpretive signage. The park includes a steep hill.

## Willoughby Farms Park

Located at the corner of Stonegate Road and Wynnfield Drive this park has it all. Enjoy sitting by the pond, playing tennis or basketball, watching a ball game, or dining in the picnic pavilion.
