***AGENDA ITEM 1: Downtown Walking Tour***

Mr. Shawn Hurtig, Public Works Project Manager, led a tour showing construction progress on Main Street. Arts Commission members present were Carol Sapeta and Susan Knapp. Potential new Arts Commission candidate Shyla Jannusch joined along as well. Mr. Ben Mason, Community Development Senior Planner will send to those commission members who could not attend, a link to street view photography that the village's IT Department has prepared to capture progress on the new streetscape design over the past couple months. The commission will continue discussing opportunities for public art displays in downtown at its next regularly scheduled meeting on Thursday, November 15.

Respectfully Submitted,

Benjamin A. Mason, Senior Planner
