The Petitioner is requesting a COA from the Commission permission
To replace the home's existing, worn and dilapidated 4 inch aluminum
Siding with new vinyl double 4 inch siding on all four sides of the home.
The present siding is eroding and the proposed siding will enhance then overall
appearance of the home.

Staff feels this proposal is compatible with the home's current appearance
And is consistent with the Preservation Code and therefore recommends approval of this
request.

After further questioning and discussion Member Nee recommended the approval of the

NEW BUSINESS:

A. Cemetery Walk 2010

Chairman Jolitz stated the Commission should start thinking about people to showcase for the Walk. Start contacting presenters – think about scripts for presenters, etc. There is a lot to be done before September deadline. Contact Village to see if the shuttle bus will be available for the Cemetery Walk.

CORRESPONDENCE, COMMENTS OR OTHER BUSINESS:

If more information comes in on the Founders from 1986 to 1995, Give to Member Zange to add to his list.

Chairman Jolitz received an invitation from the McHenry County Historical Society to join their Heritage Fair on July 11th. We are to let Nancy know if we wish to reserve a spot for this fair no later than the end of June.

The Newsletter article submitted on the history of Founders Days was not put in the Newsletter. It was placed in the Algonquin e news.

Member Purn was asked to call M. Anderson 847-924-5075 who is interested in obtaining information on the history of the building he is in on Main Street.

A lady who is listing the property on 8 Washington St wants to write up the history of this property so that she can market it. She was told about our workshops on Saturdays and she was asked to visit us and at that time we will be able to help her.

Andrea Brown called to see if we would want any defunct Algonquin Countryside newspapers. She was told to drop them off at the Commission's office.

Kathleen Miller is doing a genealogy on her family and found that she had a great grandmother Chandler who lived in Algonquin. Member Purn found about 40 pages of information. The family was very thankful.

On June first there was an unveiling Open House of a lost 137 year old County Ledger. Several of the Commission members attended.

ADJOURNMENT:

Moved by Member Purn to adjourn. Motion
