Approved this 21st day of January, 2020

President Pro-Tem, Debby Sosine

Village of Algonquin
Minutes of the Committee of the Whole Meeting
Held in Village Board Room
January 14, 2020

AGENDA ITEM 1: Roll Call to Establish a Quorum

Trustee Laura Brehmer, Chairperson, called the Committee of the Whole meeting to order at 7:30 p.m. Present: Trustees Debby Sosine, John Spella, Janis Jasper, Jerry Glogowski, Laura Brehmer, Jim Steigert, and President Schmitt. A quorum was established
Staff Members Present: Village Manager, Tim Schloneger; Assistant Village Manager, Mike Kumbera; Intern, Matt Bajor; Public Works Director, Bob Mitchard; Deputy Village Clerk, Michelle Weber; and Village Attorney, Kelly Cahill.

AGENDA ITEM 2: Public Comment

Cynthia Kanner – 920 Susan Court, Algonquin: Addressed the Board requesting, when the electric vehicle (EV) parking regulations are implemented, to include must be charging while parked in the EV spot. She also suggested, besides clear signage, paint the parking spots to ensure people are fully aware those spots are only for EV while charging. She is an EV owner and when visiting the downtown area, she has noticed many gas vehicles parked in the EV charging spots.

Mr. Spella questioned how long does it take an EV to fully charge. Ms. Kanner indicated, depending on the charging station, around 1.5 hours or more. The lower voltage charge takes longer.

AGENDA ITEM 3: Community Survey Results Presentation (Informational)

Mr. Kumbera and Mr. Bajor Presented

In fall, staff began work on the eighth annual Algonquin Community Survey to residents of the Village. This survey was scientific in design and results are statistically-significant. This statement signifies that results can be used to make inferences about the entire population within a certain degree of accuracy. Exactly 1,500 residents were randomly selected to complete the survey which was delivered via mail in late September. New this year, the Village offered an online option for residents to complete. The overall response rate was 16.1% with 242 residents responding anonymously.

The survey asked questions about quality of life measures, perceptions of safety, quality and importance of Village programs and services, performance of Village employees, and general demographic information.

The Algonquin Community Survey provides an enhanced means to:

- Foster a continuous improvement organizational culture
- Allocate budgetary resources using a data-driven approach
- Measure progress toward strategic goals
- Evaluate municipal services through the voice of our customers (residents)

Management Intern Matthew Bajor played an important role in the administration and data analysis of the survey. Full Survey available for viewing at the Ganek Municipal Center and on the Village's website.

The Committee of the Whole Members thanked staff for their efforts.

AGENDA ITEM 4: Community Development

None

AGENDA ITEM 5: General Administration

A. Consider Amending Chapter 33, Increasing Class B-2 and Reducing Class E Liquor License by One

Reporting: Michelle Weber

Lucky Gasoline aka BP on Randall has submitted a request to change their liquor license from Class E (beer & wine consumption off premise) to Class B-2 (all alcohol consumption off premise). Currently the Municipal Code allows for 8 B-2 license and 3 E Class License. With the suggested change the Village would allow for 9 B-2 and 2 E Class liquor licenses. Staff recommends approval of the change of the number of Class B-2 and E Liquor Licenses.

Ms. Jasper asked if BP has had any recent compliance violations. Ms. Weber indicated they have not.

The Committee of the Whole consensus was to move this item forward for approval.

B. Consider an Intergovernmental Agreement with Illinois Department of Natural Resources for the Bike Path Grant

Reporting: Tim Schloneger

The Village of Algonquin has received \$148,314 in grant funding to establish a 0.142-mile trail connecting Armstrong Street to the existing Prairie Trail. The "Scorched Earth Bicycle Path" is designed to fill in the gap between the bike trail system and the highly frequented Algonquin Makers Park and the Old Town Algonquin historic district.

The McHenry County Conservation District Prairie Trail is a 26.6-mile trail which travels from Algonquin to the Wisconsin state line. To the south, this trail connects to the Fox River Trail, which connects users from Algonquin south to Aurora.

The Village must approve an Intergovernmental Agreement with IDNR as part of the grant process. The grant award fee payable to the IDNR is 1% of the total funding assistance awarded. Therefore, the Village's award fee is \$1,483.

Following some discussions, it was the consensus of the Committee of the Whole to move this item forward for approval.

C. Consider Authorizing Financial Institutions as Designated Depositories

Reporting: Mike Kumbera

As part of its treasury management activities, the Village maintains several bank and investment accounts at multiple financial institutions. The Village Board, from time to time, shall designate depositories in which the funds and moneys belonging to the Village, in the custody of the Village Treasurer, and all moneys collected by the Village, shall be kept. Staff recommends that the Committee of the Whole forward this item to the Village Board for approval by Resolution.

The Committee of the Whole consensus was to move this item forward for approval.

AGENDA ITEM 6: Public Works & Safety

A. Consider Certain Items as Surplus

Reporting: Bob Mitchard

There are two vehicles described within the literature provided. The truck will be surplus as part of the Enterprise transition. The car was auctioned years ago, but never went through the proper surplus process. This is more of a house cleaning item.

It was the consensus of the Committee of the Whole to move this item forward for Board approval.

B. Consider an Agreement with Water Well Solutions for Pulling Well No. 8, Preventative Maintenance and Reinstallation of the Pumping Equipment

During the routine maintenance program, it was discovered that there are significant issues with the status of Well 8. The Village has used this maintenance report to form the scope of services, which includes but is not limited to mobilization, replacement of the 50hp Byron Jackson motor with a new 50hp Tesla submersible motor, recondition of the bowl assembly, recondition of the column pipe and testing. The well screen will also be rehabbed by having the plugging material removed via a double disk surge block with purge pump system.

This project did not have an engineer's estimate of cost, but comparing previous rehab projects the cost is \$74,813.45. In order to cover the cost of the proposal, it has been determined that all of the \$74,813.45 will be budgeted from account (700-44418). This decision has been made as Well 8 is a high priority installation and is currently not running due to rehabilitation need.

The Village has extensive working experience with Water Well Solutions of Elburn, IL. The contractor is very aware of the Village requirements and operations. It is for those reasons and the analysis conducted that I recommend Water Well Solutions for award in the amount of \$74,813.45 for the subject project contract.

The Committee of the Whole consensus was to move this item forward for approval.

C. Consider Amending the Algonquin Municipal by Adding Parking Restrictions When Parking in Electric Vehicle Charging Stations

Staff has drafted proposed regulations that make it unlawful to park any non-Electric Vehicle in an Electric Vehicle Charging Station designated for use by electric vehicles, including any Electric Vehicle Charging Station located in a private or public off-street parking facility.

Violators are subject to a \$100 fine, and the police department has the authority to tow the offending vehicle if deemed appropriate.

Following discussion, whether to require the electric vehicle to be plugged in while parked in the charging parking zone, it was decided to include "vehicles must be charging while parked..." within the parking regulations.

Consensus was to move this on for approval.

AGENDA ITEM 7: Executive Session
None

AGENDA ITEM 8: Other Business
None

AGENDA ITEM 9: Adjournment
There being no further business, Chairperson Brehmer adjourned the meeting at 8:15 p.m.

Submitted: Michelle Weber, Deputy Village Clerk

ORDINANCE NO. 2020- O-

*An Ordinance Ratifying the Establishment of Special Service Area Number 3
Within the Village of Algonquin for the Property Commonly
Known as Spectrum Senior Living PUD*

BE IT ORDAINED by the President and Board of Trustees of the Village of Algonquin (the “Village”), McHenry and Kane Counties, Illinois is a home rule municipality as contemplated under Article VII, Section 6 of the Constitution of the State of Illinois, and the passage of this Ordinance constitutes an exercise of the Village’s home rule powers and functions as granted in the Constitution of the State of Illinois, as follows:

WHEREAS, the constitutional authority for special service areas is set forth in Article VII, Section 6 of the Constitution of the State of Illinois in force July 1, 1971, which provides in relevant part as follows:

§ 6 Powers of Home Rule Units

1. The General Assembly may not deny or limit the power of home rule units
(2) to levy or impose additional taxes upon areas within their boundaries in the manner provided by law for the provision of special services to those areas and for the payment of debt incurred to provide those special services.

Special service areas are statutorily authorized pursuant to the provisions of Public Act 88-455 and the Special Service Area Tax Law, 35 ILCS 200/27-5 *et seq* (the “Law”), which provides the manner of levying or imposing taxes for the provision of special services to areas within the boundaries of home rule municipalities and non-home rule municipalities and counties as well as the establishment of special service areas;

WHEREAS, the Village’s President and Board of Trustees (together, the “Corporate Authorities”) have found that it is in the public interest that Special Service Area No. 3, for the purposes set forth herein, be established for the real property legally and commonly described in Exhibit A attached hereto and incorporated herein by this reference (the “Area”). A map of the Area is attached hereto as exhibit B and incorporated herein by this reference.

The Area, generally, is commonly known as the Spectrum Senior Living PUD.

The Area is located at the southwest quadrant of Harnish Drive and Randall Road, north of Millbrook Townhomes, in the Village of Algonquin. The property identification number assigned to the Area is 19-31-400-025.

WHEREAS, the Area is compact, contiguous and constitutes a separate and distinct development within the Village of Algonquin; the Area will benefit specially from the special services to be provided and as hereinafter described; the special services are in addition to municipal services provided to the Village of Algonquin as a whole; and it is therefore in the best interests of the Village as well as the Area itself that the levy of special taxes against the Area to

finance the special services to be provided be considered. Such special services would include but not be limited to the following:

1. Maintenance, repair and replacement of stormwater detention, retention and other stormwater management areas and related facilities including, transmission lines, retaining walls, weirs and plantings within the Area, as deemed necessary and appropriate by the Corporate Authorities (“Services”); and
2. Administrative, professionals’, engineers’, attorneys’, consultants’ and contractors’ fees incurred by the Village relative to the provision of any of the above-described special services within the Area as deemed appropriate by the Corporate Authorities (collectively, the “Special Services”).

However, under no circumstances shall the provision of such Special Services by the Village or its consultants constitute an acceptance of any personal property or real property within the Area by the Village.

The term of the Special Service Area would be perpetual and the nature of the Special Services is maintenance and new construction within the Area; and

WHEREAS, a public hearing was held on Tuesday, the 19th day of November, 2019, at 7:25 p.m. in the Algonquin Village Hall, 2200 Harnish Drive, Algonquin 60102, to consider the creation of Special Service Area No. 3 for the Area;

WHEREAS, at the public hearing there was also considered the levy of an annual tax not to exceed the annual rate of .600 percent of the assessed value, as equalized, to be levied against the real, taxable property included within Special Service Area No. 3. There is no maximum number of years taxes will be levied because the term of this Special Service Area is perpetual. The proposed amount of such tax levy for the Special Services for the initial year for which taxes will be levied within Special Service Area No. 3 is \$2,500, but shall not exceed the annual rate of .600 percent of the assessed value, as equalized, of the taxable property within the Area. Said taxes shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Special Service Area Tax Law.

WHEREAS, notice of the public hearing was published at least once not less than 15 days prior to the public hearing in one or more newspapers of general circulation in the Village of Algonquin, Illinois, specifically the *Northwest Herald*, as set forth in Exhibit C hereto. In addition, notice by mailing was given by depositing said notice in the United States mail addressed to the person or persons in whose name the general taxes for the last preceding year were paid on each lot, block, tract or parcel of land lying within Special Service Area No. 3, among others, in the manner set forth in Exhibit D hereto. Said notice was mailed not less than 10 days prior to the time and date set for the public hearing. The public hearing was adjourned by the President and Board of Trustees of the Village of Algonquin after the denial of several objections to the establishment or creation of Special Service Area No. 3 for the Area or the

imposition or levy of taxes to finance the provision of Special Services to the Special Service Area;

WHEREAS, no petition containing the signatures of at least 51 percent of the electors residing within the Area and by at least 51 percent of the owners of record of the land included within the Area was filed with the Village of Algonquin Village Clerk within 60 days following the final adjournment of the public hearing which objected to the creation of the Special Service Area No. 3, or the levy or imposition of a tax thereon to finance the provision of Special Services to Special Service Area No. 3; and

WHEREAS, all persons affected by the proposed formation of the Village of Algonquin Special Service Area No. 3 were given the opportunity to be heard regarding the proposed formation of and the boundaries of the Special Service Area No. 3 and were given the right to object to the formation, establishment and creation of Special Service Area No. 3, the boundaries of Special Service Area No. 3 and/or the levy of an annual tax sufficient to pay for the Special Services to the Special Service Area not to exceed the maximum rate set forth herein.

BE IT ORDAINED by the President and Board of Trustees of the Village of Algonquin, an Illinois municipal corporation located in McHenry and Kane Counties, Illinois, as follows:

SECTION 1: The recitals and findings set forth above are hereby incorporated into this Ordinance by this reference as if fully set forth herein by this reference. All defined terms herein shall have the same meaning and definition as those defined terms set forth above in the recitals.

SECTION 2: That Special Service Area No. 3 is hereby established and consists of the Area. The term of Special Service Area No. 3 would be perpetual and the nature of the Special Services is maintenance and new construction within the Area.

SECTION 3: The provision of the Special Services, as determined by the Village in its sole discretion, and as defined above, to the Area shall be financed by the levy of an annual tax not to exceed the annual rate of .600 percent of the assessed value, as equalized, to be levied against the real, taxable property included within Special Service Area No. 3. The proposed amount of such tax levy for the Special Services for the initial year for which taxes will be levied within Special Service Area No. 3 is \$2,500, but shall not exceed the annual rate of .600 percent of the assessed value, as equalized, of the real, taxable property within the Area. There is no maximum number of years taxes will be levied because the term of this Special Service Area is perpetual. Said taxes shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Special Service Area Tax Law. Funds received from Special Service Area No. 3 may be used by the Village and/or consultant or contractor chosen by the Village.

SECTION 4: If any section, paragraph, subdivision, clause, sentence or provision of this Ordinance shall be adjudged by any Court of competent jurisdiction to be invalid, such judgment shall not affect, impair, invalidate or nullify the remainder thereof, which remainder shall remain and continue in full force and effect.

SECTION 5: All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 6: This Ordinance shall be in full force and effect after its passage, approval and publication in pamphlet form, which is hereby authorized in accordance with and as provided by law.

SECTION 7: The Village Clerk and Village Attorney are directed to file a certified copy of this Ordinance with the McHenry County Clerk and to record a certified copy of this Ordinance with the McHenry County Recorder's office.

This fee shall be calculated as 1% of the total funding assistance granted to the applicant. No single Grant Award Fee shall exceed \$5,000.00.

A \$750,000 grant award would require a \$5,000 Grant Award Fee
($\$750,000 \times 0.01 = \$7,500$ which exceeds the \$5,000 maximum)

Grant Award Fees shall be rounded up to the nearest whole dollar amount.

EXAMPLES:

A \$54,750 grant award would require a \$548 Grant Award Fee
($\$54,750 \times 0.01 = \547.50 rounded up to the nearest whole dollar = \$548)

The grantee may choose to consider the Grant Award Fee as an allowable reimbursement cost and include this cost in the identified costs of the project if so desired.

Grant agreements returned without the required Grant Award Fee, or with an incorrect amount, will not be accepted by IDNR. RE: WELL NO. 8 PULL & INSPECTION PROPOSAL:

Our records indicate that Well No. 8 consists of a 50Hp, 4 pole, Type H Byron Jackson 460v, motor set 159ft on 8" T&C epoxy coated column pipe. Our proposal includes pulling Well No. 8 for preventative maintenance and reinstallation of the pumping equipment.

Project Scope Well No. 8:

Our proposal includes mobilization to the site, lockout tag out, well head disassembly, pipe rack set up, removal of the pumping equipment, disconnection of the pump and motor, place motor in shipping condition & transportation of the pump and motor to our Elburn facility for inspection. The bowl assembly will be disassembled and the rotating parts will be inspected as well as the impellers, bowl veins, and the bowl shaft will be checked for straightness. The pipe will be visually inspected onsite and a written report of our findings with recommendations for necessary repairs will be submitted to the owner for review and consideration.

We assume that the Village has the shipping cap for the BJ motor.

It would be beneficial to conduct a downhole investigational survey while the pump is out for service to review the integrity of the well casing and borehole. A report on the condition of the well and a DVD copy will be provided to you for your records.

As we cannot determine necessary repairs until the pumping equipment is pulled for inspection, pricing for repair and materials will be provided to you once the inspection has been completed. We have included our estimated labor cost to re-install and test the pumping equipment for performance.

Our proposal assumes that there is not an unknown downhole condition of either the well or pump that would prevent their removal from the well in a normal manner. Our labor would include travel time to and from the site with a (2) man pump crew and support equipment.

A: Proposed Pricing to Pull Well No. 8 for inspection is as follows;

Item 1	Mobilization of Hoist, Tools & Equipment	\$300.00
Item 2	16 Hrs. Labor with a (2) man pump crew to pull Well No. 11's pumping equipment for inspection @ \$365.00/hr. (Est.)	\$5,840.00
