**VOLUNTEERS:**

**VISITORS:**

None

**ACTIVITIES:**

Pat Zange filed obituaries and worked on other filing.

Chairman Jolitz and Members Donahue and Dombrowski worked on reorganizing and consolidating the commission's collection of awards and pictures.

Member Lewis attempted to access the Commission's computer but was unable to due the lack of user name.

Members discussed the Fiscal Year 2021 Budget for the Commission. It was agreed that the Commission needs 2 more legal size file cabinets, and 1 more letter size file cabinet – also hanging file folders to increase storage for the Commissions collections/files as all current file drawers are full and many even too tight to add anything to.

Member Lewis typed the minutes.

Workshop ended at 12:00 pm.
