SUBJECT: Liquor License Approval

As you know, at the last Liquor commission meeting both 7-Eleven convenience stores liquor license renewals were not brought forward for approval. At the time of the meeting, their corporate offices were not in good standing with the State of Illinois and their liquor license application was not complete. They have now provided a certificate of good standing and completed their liquor license application submission.

It is recommended that a Class B-2 liquor license be for the following:

- 7-Eleven – 10 S. Randall Road, Algonquin
- 7-Eleven – 1495 W. Algonquin Road, Algonquin

I am available for any questions.

Regards,
