Dear Resident or Small Commercial Business Owner:

This letter details the current information regarding the Electric Aggregation Program that your community authorized by referendum. Your community is continuing to participate in the Northern Illinois Electric Aggregation Consortium (NIGEAC) Program. The following provides details to answer the basic questions that most customers might have about our latest offer.

First, we would like you to know that NIGEAC is an Intergovernmental Consortium comprised of six Member communities; the Cities of Genoa and Woodstock and the Villages of Algonquin, Huntley, Lakewood and Ringwood. The six communities have come together to obtain efficiencies and greater bargaining power as we attempt to provide you with a valuable option in your attempts to manage your electric bills.

Constellation Energy Services (Constellation) won a recent competitive process and will be our program's new electric supplier through your July 2017 billing cycle. Constellation will be replacing our current supplier, Direct Energy. Our offer with Constellation has several features that we hope you will find attractive.

1. We have set a 2-year fixed rate at 6.89 cents/kWh.
2. We have also negotiated a 100% green power rate of 7.05 cents/kWh that comes from renewable energy resources. You must call Constellation if you would like to choose this option.
3. We have negotiated an agreement that allows you to leave free of charge at any time for any reason.

Included with this letter is an opt-out notification from Constellation, please review it carefully. You have three choices:

1. If you have received this notice and want to participate in the Electric Aggregation Program, you do not need to do anything. You will be automatically enrolled.
2. You may call Constellation at 844-257-8244 to receive the green power rate.
3. If you do not wish to participate in the program, you will need to call Constellation or complete the opt-out section and mail back to Constellation by <Month> <Day>, 2015.

We hope this letter and the accompanying FAQs are helpful as you make your decision about your electric service. If you have any questions, please contact Constellation's call center personnel toll free at 1-844-257-8244.

What is Municipal Aggregation and how can I benefit?

Under municipal aggregation, local officials bring the community together for improved group purchasing power. The community benefits by receiving competitively-priced electricity from an Alternative Retail Electric Supplier licensed by the Illinois Commerce Commission.

How is the NIGEAC able to choose a certified electricity supplier on the community's behalf and who is eligible?

Residents voted to give the NIGEAC the ability to negotiate on behalf of the community for a contract for an electricity supplier.

All current participants in the program will receive notice of the new rate, terms, and conditions and continue to be eligible.

Newly eligible residents or businesses must have received an opt-out notice from Constellation and meet the following requirements:

1. You must not have already chosen an electricity supplier on your own.
2. You must not be in arrears on your bill payment.
3. Your service address must be located within the limits of one of the NIGEAC communities.
4. Your utility company must be ComEd.
5. You must be a small commercial/ industrial customer using not more than 15,000 kilowatt hours per year or you must be a residential customer.

What does "opt out" mean?

"Opt out" means that we are operating under the assumption that you want to participate in the NIGEAC Municipal Aggregation Electricity Program but you can decide not to participate. You can opt out by returning the opt-out form included in your mailer, through the call center using the phone number provided or via the web using the website provided. If you opt out, you will not be enrolled as an electricity customer with Constellation. You will also not receive the NIGEAC competitive electricity price. Regardless, all customers will continue to have their electricity distributed by ComEd.

What happens if I do not send in the opt-out form?

If you do not opt-out prior to expiration of the deadline, you will be included in the NIGEAC Municipal Aggregation Program and receive competitively priced electricity from Constellation. However, you have the option to terminate your participation in the program at any time without incurring an early termination penalty.

What if I'm enrolled in the PIPP program?

Residents who are enrolled in the PIPP program will not be affected by the Municipal Aggregation Program, and can continue to participate in the municipality's program.

I am currently under the budget billing option as provided by ComEd. Can I retain this service?

If you have chosen budget billing, the utility will continue to manage your budget billing and determine your monthly payment for electricity or if you wish to initiate budget billing or have any questions regarding your budget, please contact your utility for more information.

Who is Constellation?

Constellation's affiliates are leading suppliers of energy products and services to electric and natural gas customers in 47 states as well as Washington, D.C. We've been helping customers navigate competitive energy markets for as long as customers have had a choice of their energy supplier and have provided affordable, reliable energy to businesses nationwide for years.

Constellation's parent company, Exelon, is a FORTUNE 200 company with approximately \$33 billion in annual revenues.

Municipal Aggregation Program FAQs

What information do I need to opt out?

Customers will need the 4-6 digit opt-out code provided in the original opt-out letter. If this is not available, the customer care team can pull up your information based on the service address.

Are there fees associated with the program?

Enrollment in the program is free and you need not take any action. You only need to be eligible to participate. **Once enrolled in the program, you can cancel your agreement at any time and switch back to ComEd without any fee.**

Will I be allowed to join the program after the initial enrollment period?

The NIGEAC has secured the same electric supply rate, terms and conditions for eligible customers who wish to join its municipal aggregation programs after the initial enrollment period. This would include customers who move into one of the NIGEAC communities, who were with another supplier and would like to join the aggregation program or customers who initially opted-out and want to join at a later date. These customers will have an individual agreement with Constellation for electricity supply but will retain the same electric supply rate, terms and conditions of the aggregation programs.

What is the rescission period?

ComEd will provide you a notice confirming your enrollment with Constellation that provides you a period during which you may rescind such enrollment. Please follow the instructions on the enrollment notice if you would like to rescind.

When will my Constellation electricity supply begin and how do I know when my meter read occurs?

Supply will start on your first applicable meter read date, which we estimate to be in July. Refer to your bill to get the exact meter read date.

When will I see my new rate?

Customers can expect to see their new rate beginning as soon as their August 2015 bill, depending on the enrollment date.

What if I am with another supplier and want to join the NIGEAC program?

Based upon the records provided by the utility, we assumed you are not with another supplier; otherwise we would not have sent you this notice. If you recently signed up with a new supplier, you will not be automatically enrolled in the NIGEAC program; if you wish to join the program, you should check the terms of your new agreement for any restrictions and then contact Constellation.

Tell me more about your renewable option?

The 100% renewable option means that Constellation purchases energy from renewable wind electricity resources equal to the amount of electricity you use. Constellation has secured a competitive renewable rate of 7.05¢/kWh for 24 months. You can choose this rate instead of the standard aggregation price by contacting our Customer Care team at 1.844.257.8244.

How did the NIGEAC develop this Program?

Pursuant to Section 1-92 of the Illinois Power Agency Act ("Act"), 20 ILCS 3855/1-92, each Illinois municipality is authorized to aggregate the electric loads of small commercial and residential customers located within its municipal boundaries. As part of the aggregation, each municipality may solicit bids, select an Alternative Retail Electric Supplier, and enter into a service agreement to facilitate the purchase of electricity and related services and equipment on behalf of its residents and small businesses. In accordance with the Act, your community passed a resolution authorizing a referendum for the community asking the public for authority to create an opt-out Aggregation Program for its residents and small business customers, which was approved by the residents of the NIGEAC communities.

Where can I learn more about electricity deregulation and assistance programs?

The Illinois Commerce Commission (ICC) has assistance programs to help customers with their energy bills. Eligibility and enrollment information can be found on the ICC's website at www.icc.illinois.gov. Additional information can be found at www.PlugInIllinois.org.

What are questions that can be directed to my Utility?

- Please contact ComEd at 1.800.334.7661 for questions on the following topics:
- Problems with your electricity service
 - Questions about your bill
 - Tax exemptions

How do I know if the residential rate class that I am in is eligible for your service?

Residential customers on non-hourly rate classes are eligible for our service. Savings estimates will vary based upon whether you are currently on a standard residential rate or a space heating rate. Please carefully review all details provided in our offers. You can find your rate class and any special provisions on your bill.

What happens at the end of my Constellation electricity contract term?

The NIGEAC will rebid the term and price on behalf of residents or return customers to ComEd. You will be notified of the outcome by the NIGEAC and/or supplier for the new term.

ComEd's contact number is 1.800.334.7661

Please refer to the enclosed letter and Terms and Conditions for program pricing and further information.

The Utility will notify you of the date on which your power and energy service from Constellation will begin. Constellation's power and energy service will be delivered to your residence using the Utility's electricity distribution wires. You represent and warrant that the electricity supply being purchased under this Contract is to be used solely for residential purposes. Constellation's obligations under this Contract are conditioned on you providing complete and accurate information and on you remaining a Utility distribution customer throughout the term under the applicable residential or small commercial electric rate class.

Billing and Payment. The cost of your power and energy service will be included on your bill from the Utility, and is due and payable when your Utility bill is due at the billing address provided in your Utility bill. You acknowledge that the Utility may provide us with your billing and payment information. You will be invoiced for Constellation's charges under this Contract at the applicable price set forth in the **"Fixed Pricing"** section above (or, during any renewal period, under any revised price, terms and conditions as may be established as described in the **"Renewal"** section above) multiplied by your electricity usage as measured by the Utility in kWh during the applicable billing period. You agree to accept the measurements as determined by the Utility for purposes of accounting for the amount of power and energy services provided by us under this Contract. If the Utility is unable to read your meter, the Utility will estimate your usage and your charges will be calculated accordingly and adjusted on a future bill. Supplying you under this Contract is conditioned on the Utility accepting our enrollment of your account for consolidated billing by the Utility. If you are not eligible for consolidated billing, you need to remedy that restriction with the Utility before we can serve you. Should the Utility cease providing consolidated billing for your account and/or commence billing us for any charges relating to you, we will bill you and you will pay us for all such charges. You will be billed additional charges, including taxes and charges to transmit and distribute the electricity to your home, from the Utility consistent with its filed tariffs. You are responsible for paying any new or increased taxes, fees or other charges imposed on us or you in connection with our supply of electricity to you during the term of this Contract. We will notify you if any new or increased taxes, fees or other charges are imposed. Constellation reserves the right to change billing methods.

Budget Billing. If you have chosen Budget Billing, the utility will continue to manage your Budget Billing and determine your monthly payment for electricity or if you wish to initiate Budget Billing or have any questions regarding your budget, please contact your utility for more information.

Constellation reserves the right to make adjustments at any time and you authorize Constellation to bill you directly if necessary to collect any amounts under this Contract.

Late or Insufficient Payment. When the Utility issues you a consolidated bill, all invoiced balances under this Contract that are not paid in full by the due date will be subject to the Utility's late payment policies and procedures. If Constellation directly invoices you, you are required to pay our invoices by the due date set forth in the invoice, which will be 20 days from the date the invoice was mailed. We reserve the right to charge you interest for any past due invoice amount at 1.5% per month or the highest amount permissible under applicable law, whichever is less. In addition, you agree to pay us our costs incurred in collecting amounts owed us, including reasonable attorney's fees and returned check charges. If you make a payment for an amount less than the total amount due, we may accept such payment without prejudice to any other rights or remedies that we may have against you and we may apply it to your account(s) as a partial payment. In addition, if you fail to remit payment in a timely fashion, you authorize us to report the delinquency to one or more credit-reporting agencies.

Termination. Constellation may terminate this Contract for any non-payment or any other breach of this Contract upon 30-days prior written notice to you of such termination. If you fail to cure within the 30-day notice period, we may terminate

the Contract even if you subsequently cure the non-payment or breach after such period has expired. Constellation may also terminate this Contract upon 30 days' prior written notice to you due to a change in law prohibiting us from being able to continue to serve you. In addition, we reserve the right to reject your enrollment or terminate this Contract if:

- you fail to meet or maintain satisfactory credit standing as determined by us;
- you fail to meet minimum or maximum threshold consumption levels as determined by us;
- you move within or outside of the Utility's service territory or you fail to remain a Utility distribution customer throughout the term under the applicable residential electric rate class;
- you fail to be eligible for Utility consolidated billing throughout the term;
- you rescind your authorization for release of information provided in the **"Information Release Authorization"** section below; or
- you provide any false, inaccurate or misleading information to Constellation or the Utility.

You may terminate this Contract prior to the end of the applicable term for your convenience by giving us not less than 30 days prior written notice.

Upon any termination of this Contract, you will return to receiving standard offer service from the Utility unless you have selected another alternative retail electric supplier. The effective date of any termination will be the next applicable meter read date after expiration of the required notice period. Upon any termination, you will remain responsible for all obligations, including payment for electricity and related costs and charges incurred under this Contract prior to the effective date of termination including any applicable termination fee. The delivery of electricity to you cannot be terminated or interrupted by the Utility as a result of any dispute between Constellation and you but may be terminated by the Utility for nonpayment of Utility charges in accordance with applicable law. The Utility will continue to respond to any service calls and emergencies and switching to Constellation will not impact your electric service reliability. If the Utility purchases the right to receive your payments under this Contract, your payment obligations may become Utility charges for purposes of termination of service.

Assignment, Address Change. Constellation may assign, subcontract or delegate all or any part of our rights and/or obligations under this Contract, including your payment obligations under this Contract, without notice or your consent. You may not assign any of your rights or obligations under this Contract without our prior written consent. If you move, you may terminate our Contract. You will be responsible for paying for all electricity supplied to your old address until the date this Contract is terminated in accordance with its terms. If you move within the Utility's service territory, you must contact the Utility in order to obtain new account and meter numbers for your new residence. Please contact us if you would like us to serve you again at your new location.

Change in Pricing and Other Terms. In addition to Constellation's right to revise the price, terms and conditions of this Contract as provided in the **"Renewal"** section above, this Contract may be revised at any time by Constellation upon the occurrence of any

event beyond its reasonable control that materially increases the obligations of Constellation or the cost of performing such obligations under this Contract. If we request such a change, Constellation will provide you notice of the changed prices and/or terms and conditions and you will have an opportunity to terminate this Contract without any further obligation by notifying us in writing within 30 days after the date of the notice of the new prices and/or terms and conditions, in which case your power and energy service will terminate effective as of the next meter read date after expiration of the required notice period. You will remain responsible for any unpaid balance as of the termination date but we will not assess a termination payment.

Information Release Authorization. Throughout the term, you authorize Constellation to obtain information from the Utility that includes, but is not limited to, account name, account number, billing address, service address, telephone number, standard offer service type, historical and future electricity usage, rate classification, meter readings, characteristics of electricity service and, when charges hereunder are included on your Utility bill, billing and payment information from the Utility. You authorize Constellation to release such information to third parties that need to know such information in connection with your power and energy service and to Constellation's affiliates and subcontractors. These authorizations will remain in effect as long as this Contract is in effect. You may rescind these authorizations at any time by either calling or providing written notice to us. We reserve the right to reject your enrollment or terminate this Contract in the event these authorizations are rescinded.

Dispute Resolution. If you have a billing or other dispute involving our service, please contact us at 1-844-257-8244. You must still pay your bill in full, but may deduct the specific amount in dispute while the charges remain in dispute.

Limitation of Liability; Jury Trial Waiver. You agree that neither Constellation nor any of its affiliates or subcontractors will be liable for any damages or claims for matters within the control of the Utility or the ISO-controlled electricity grid, which include maintenance of electric lines and systems, service interruptions, loss or termination of service, deterioration of electric services, meter readings or injury to persons or damage to property caused by the delivery or supply of electricity. Neither Constellation nor any of its affiliates or subcontractors will be responsible for any failure to commence or terminate power and energy service on the date specified herein due to any failure or delay in enrolling you with the Utility. Constellation's liability will be limited to direct actual damages only, which will not exceed the amount of your single largest monthly invoice during the preceding 12 months. In no event will Constellation or any of its affiliates or subcontractors be liable for any punitive, incidental, consequential, exemplary, indirect, third-party claims or other damages whether based on contract, warranty, tort, negligence, strict liability or otherwise, or for lost profits arising from any breach or nonperformance of this Contract. BOTH YOU AND CONSTELLATION AGREE IRREVOCABLY AND UNCONDITIONALLY TO WAIVE ANY RIGHT TO A TRIAL BY JURY WITH RESPECT TO ANY ACTION, SUIT OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS CONTRACT OR THE TRANSACTIONS CONTEMPLATED BY THIS CONTRACT.

Force Majeure. We do not transmit or deliver electricity and causes and events out of our reasonable control ("Force Majeure Events") may result in interruptions in service. We will not be liable for any such interruptions or any other failure to

perform under this Contract caused by a Force Majeure Event. We are not and will not be liable for damages caused by Force Majeure Events, including but not limited to acts of God; acts of any governmental authority; accidents; strikes; labor disputes; required maintenance work; inability to access the Utility's system; non-performance by the Utility, including, but not limited to, a facility outage on its distribution lines; changes in laws, rules or regulations of any governmental authority; or any cause beyond our reasonable control.

Miscellaneous. Except with respect to Constellation's affiliates and subcontractors under the "**Limitation of Liability; Jury Trial Waiver**" section, there are no third party beneficiaries of this Contract. Any payments due under this Contract, and all provisions relating to the payment and collection thereof, and the provisions contained in the "**Limitation of Liability; Jury Trial Waiver**" section above, will survive expiration or termination for any reason. This Contract constitutes the entire agreement between you and Constellation. No statement, promise or inducement made by either party not contained in this Contract will be valid or binding. Any reference to days or periods will mean calendar days.
