Dear Resident or Small Commercial Business Owner:

This letter details the current information regarding the Electric Aggregation Program that your community authorized by referendum. Your community is continuing to participate in the Northern Illinois Electric Aggregation Consortium (NIGEAC) Program in order to achieve greater bargaining power and lower electric rates. The following provides details to answer the basic questions that most customers might have about our latest offer.

First, we would like you to know that NIGEAC is an Intergovernmental Consortium comprised of six Member communities; the Cities of Genoa and Woodstock and the Villages of Algonquin, Huntley, Lakewood and Ringwood. The six communities have come together to obtain efficiencies and greater bargaining power as we attempt to provide you with a valuable option in your attempts to manage your electric bills.

Constellation Energy Services (Constellation) won a recent competitive bidding process and will be our program’s new electric supplier through your July 2017 billing cycle. Constellation will be replacing our current supplier, Direct Energy. Our offer with Constellation has several features that we hope you will find attractive.

1. We have set a 2-year fixed rate at 6.89 cents/kWh. We are pleased to report that is a reduction from our current rate.

2. We have also negotiated a 100% green power rate of 7.05 cents/kWh that comes from renewable energy resources. You must call Constellation if you would like to choose this option.

3. We have negotiated an agreement that allows you to leave free of charge at any time for any reason.

Included with this letter is an enrollment offer from Constellation, please review it carefully. You have two choices:

1. If you have received this letter and want to participate in the Electric Aggregation Program, you will need to contact Constellation to enroll.

2. If you do not wish to participate in the program, simply do nothing and you will not be included.

We hope this letter and the accompanying FAQs are helpful as you make your decision about your electric service. If you have any questions, please contact Constellation’s call center personnel toll free at 1-844-257-8244.

If the Utility is unable to read your meter, the Utility will estimate your usage and your charges will be calculated accordingly and adjusted on a future bill. Supplying you under this Contract is conditioned on the Utility accepting our enrollment of your account for consolidated billing by the Utility. If you are not eligible for consolidated billing, you need to remedy that restriction with the Utility before we can serve you. Should the Utility cease providing consolidated billing for your account and/or commence billing us for any charges relating to you, we will bill you and you will pay us for all such charges. You will be billed additional charges, including taxes and charges to transmit and distribute the electricity to your home, from the Utility consistent with its filed tariffs. You are responsible for paying any new or increased taxes, fees or other charges imposed on us or you in connection with our supply of electricity to you during the term of this Contract. Constellation reserves the right to make adjustments at any time and you authorize Constellation to bill you directly if necessary to collect any amounts under this Contract.

When the Utility issues you a consolidated bill, all invoiced balances under this Contract that are not paid in full by the due date will be subject to the Utility’s late payment policies and procedures. If Constellation directly invoices you, you are required to pay our invoices by the due date set forth in the invoice, which will be 20 days from the date the invoice was mailed. We reserve the right to charge you interest for any past due invoice amount at 1.5% per month or the highest amount permissible under applicable law, whichever is less. In addition, you agree to pay us our costs incurred in collecting amounts owed us, including reasonable attorney’s fees and returned check charges. If you make a payment for an amount less than the total amount due, we may accept such payment without prejudice to any other rights or remedies that we may have against you and we may apply it to your account(s) as a partial payment. In addition, if you fail to remit payment in a timely fashion, you authorize us to report the delinquency to one or more credit-reporting agencies.

Termination. Constellation may terminate this Contract for any non-payment or any other breach of this Contract upon 30-days prior written notice to you of such termination. If you fail to cure within the 30-day notice period, we may terminate the Contract even if you subsequently cure the non-payment or breach after such period has expired. Constellation may also terminate this Contract upon 30 days’ prior written notice to you due to a change in law prohibiting us from being able to continue to serve you. In addition, we reserve the right to reject your enrollment or terminate this Contract if:

- you fail to meet or maintain satisfactory credit standing as determined by us;

- you move within or outside of the Utility’s service territory or you fail to remain a Utility distribution customer throughout the term under the applicable residential electric rate class;
- you fail to be eligible for Utility consolidated billing throughout the term;
- you rescind your authorization for release of information provided in the “Information Release Authorization” section below; or
- you provide any false, inaccurate or misleading information to Constellation or the Utility.

You may terminate this Contract prior to the end of the applicable term for your convenience by giving us not less than 30 days prior written notice.

Upon any termination of this Contract, you will return to receiving standard offer service from the Utility unless you have selected another alternative retail electric supplier. The effective date of any termination will be the next applicable meter read date after expiration of the required notice period. Upon any termination, you will remain responsible for all obligations, including payment for electricity and related costs and charges incurred under this Contract prior to the effective date of termination including any applicable termination fee. The delivery of electricity to you cannot be terminated or interrupted by the Utility as a result of any dispute between Constellation and you but may be terminated by the Utility for nonpayment of Utility charges in accordance with applicable law. The Utility will continue to respond to any service calls and emergencies and switching to Constellation will not impact your electric service reliability. If the Utility purchases the right to receive your payments under this Contract, your payment obligations may become Utility charges for purposes of termination of service.

Assignment, Address Change. Constellation may assign, subcontract or delegate all or any part of our rights and/or obligations under this Contract, including your payment obligations under this Contract, without notice or your consent. You may not assign any of your rights or obligations under this Contract without our prior written consent. If you move, you may terminate our Contract. You will be responsible for paying for all electricity supplied to your old address until the date this Contract is terminated in accordance with its terms. If you move within the Utility’s service territory, you must contact the Utility in order to obtain new account and meter numbers for your new residence. Please contact us if you would like us to serve you again at your new location.

Change in Pricing and Other Terms. In addition to Constellation’s right to revise the price, terms and conditions of this Contract as provided in the “Renewal” section above, this Contract may be revised at any time by Constellation upon the occurrence of any
event beyond its reasonable control that materially increases the obligations of Constellation or the cost of performing such obligations under this Contract. If we request such a change, Constellation will provide you notice of the changed prices and/or terms and conditions and you will have an opportunity to terminate this Contract without any further obligation by notifying us in writing within 30 days after the date of the notice of the new prices and/or terms and conditions, in which case your power and energy service will terminate effective as of the next meter read date after expiration of the required notice period. You will remain responsible for any unpaid balance as of the termination date but we will not assess a termination payment.

Information Release Authorization. Throughout the term, you authorize Constellation to obtain information from the Utility that includes, but is not limited to, account name, account number, billing address, service address, telephone number, standard offer service type, historical and future electricity usage, rate classification, meter readings, characteristics of electricity service and, when charges hereunder are included on your Utility bill, billing and payment information from the Utility. You authorize Constellation to release such information to third parties that need to know such information in connection with your power and energy service and to Constellation’s affiliates and subcontractors. These authorizations will remain in effect as long as this Contract is in effect. You may rescind these authorizations at any time by either calling or providing written notice to us. We reserve the right to reject your enrollment or authorizations at any time by either calling or providing written notice to us. We reserve the right to reject your enrollment or terminate this Contract in the event these authorizations are rescinded.

Dispute Resolution. If you have a billing or other dispute involving our service, please contact us at 1-844-257-8244. You must still pay your bill in full, but may deduct the specific amount in dispute while the charges remain in dispute.

Neither Constellation nor any of its affiliates or subcontractors will be responsible for any failure to commence or terminate power and energy service on the date specified herein due to any failure or delay in enrolling you with the Utility. Constellation’s liability will be limited to direct actual damages only, which will not exceed the amount of your single largest monthly invoice during the preceding 12 months. In no event will Constellation or any of its affiliates or subcontractors be liable for any punitive, incidental, consequential, exemplary, indirect, third-party claims or other damages whether based on contract, warranty, tort, negligence, strict liability or otherwise, or for lost profits arising from any breach or nonperformance of this Contract. BOTH YOU AND CONSTELLATION AGREE IRREVOCABLY AND UNCONDITIONALLY TO WAIVE ANY RIGHT TO A TRIAL BY JURY WITH RESPECT TO ANY ACTION, SUIT OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS CONTRACT OR THE TRANSACTIONS CONTEMPLATED BY THIS CONTRACT.

Force Majeure. We do not transmit or deliver electricity and causes and events out of our reasonable control (“Force Majeure Events”) may result in interruptions in service. We will not be liable for any such interruptions or any other failure to perform under this Contract caused by a Force Majeure Event. We are not and will not be liable for damages caused by Force Majeure Events, including but not limited to acts of God; acts of any governmental authority; accidents; strikes; labor disputes; required maintenance work; inability to access the Utility’s system; non-performance by the Utility, including, but not limited to, a facility outage on its distribution lines; changes in laws, rules or regulations of any governmental authority; or any cause beyond our reasonable control.
