# SALT STORAGE PERMIT REQUIREMENTS

Effective October 19, 2010

## Salt Storage Regulations:

1. Permit is required for all salt piles to be stored outside.
2. Permit is valid for the entire winter season (November-April).
3. Permit cost is \$75.00
4. Maximum amount of storage allowed is to cover four storm events. Amount to be stored shall be listed on the permit application.
5. The salt within the salt storage location shall be covered with a water resistant tarp or similar protective cover, which shall be adequately secured to prevent damage from wind and/or water at all times.
6. Salt storage must be a minimum distance of 100 feet away from a storm sewer drain. Show on site plan, as part of permit application.
7. Salt storage must be located uphill and away from snow piles.
8. Salt storage must be located in an area that minimizes visual impact to public way and/or adjacent residential uses. Show on site plan, as part of permit application.
9. The salt storage and area used for truck loading and unloading shall be diligently swept and maintained free of loose salt and debris at all times. The area shall be kept in a clean, workman like manner at all times.
10. All unused salt and the site shall be cleaned up no later than April 15th.
11. Fines may be issued for non-compliance.
