TERMS AND CONDITIONS

1. Acceptance of Agreement: Acceptance of this Agreement is expressly limited to the terms hereof, and in the event that Vendor's acknowledgment or other response hereto states terms additional to or different from those set forth herein, this Agreement shall be deemed a notice of objection to such additional or different terms and rejection thereof. This Agreement may be accepted by the commencement of any Work hereunder, and in any event, shall be deemed accepted in its entirety by Vendor unless the Owner is notified to the contrary within ten (10) days from its date of issue.

2. Amendment, Modification or Substitution: This Agreement contains the entire agreement between the parties. Any modification or rescission thereof must be in writing and signed by the Owner. No proposals or prior dealings of the parties or trade custom or course of conduct not expressed herein shall alter the interpretation or enforcement of this Agreement.

3. Familiarity with Plans; Qualifications: Vendor acknowledges that it (a) has examined the site of the proposed Work and is familiar with the conditions surrounding same; and (b) has examined any and all applicable plans and drawings, and has studied and is aware of, and satisfied with, the requirements of the Contract Documents as they relate to Vendor's Services under this Agreement. Vendor represents to the Owner that it is fully experienced and properly qualified as an expert to perform the class of work or provide the products provided for herein, and that it is properly equipped, organized and financed to handle such work. Vendor shall finance its own operations hereunder, shall operate as an independent contractor and not as the agent of the Owner, and shall hold the Owner free and harmless from all liability, costs and charges by reason of any act or representations of Vendor, its agents or employees.

4. Safety: Insofar as jobsite safety is concerned, the Vendor is solely responsible for its own and its employees' activities in the performance of the Work/Services under this Agreement, including on the jobsite, but this shall not be construed to relieve the Owner or any of the Owner's contractors (or their subcontractors) from their responsibilities for maintaining a safe jobsite. The Owner shall have no responsibility for Vendor's, or Vendor's subcontractors', methods of work performance, superintendence, sequencing, or safety in, on or about the jobsite.

5. Extras and Change Orders: No claim by Vendor that any instructions, by drawing or otherwise, constitute a change in Vendor's performance hereunder, for which Vendor should be paid additional compensation shall be valid, unless prior to commencing such allegedly extra or changed performance, Vendor shall have received a written change order or amendment to this Agreement authorizing such performance signed on behalf of the Owner by a person having actual authority to do so.

6. Inspection and Acceptance: The Owner shall have the right at all reasonable times to inspect all Work performed or furnished by Vendor. Notwithstanding any prior inspection or payment, all Work is subject to final acceptance by the Owner.

7. Term: Unless otherwise terminated pursuant to the provisions of this Agreement, the term of this Agreement shall be for the Term shown on the front of the Agreement, if any, or upon completion of both Parties' obligations under this Agreement, except that any indemnity and warranty obligations shall survive the termination of this Agreement. This Agreement may be extended only upon the mutual written consent of the Parties.

8. Payment: The Owner will make partial payments to the Vendor in accordance with **Schedule B** for services performed by the Vendor. Provided, however, in no event shall the Owner be obligated to pay Vendor any sum that exceeds the Contract Price absent a written change order executed by the Owner. Vendor shall invoice Owner monthly in the amount(s) and at the rate(s) set forth in the attached Schedule B. Each invoice shall detail the dates worked, Services performed, and, where applicable, reimbursable expenses reasonably and directly incurred for such Services. Vendor shall only be reimbursed for expenses shown on the attached Schedule. Reimbursement shall be at the amount shown on the attached Schedule, or if no amount is shown, at cost. Vendor shall invoice Owner for all Reimbursable Expenses, where applicable, due and owing together with an itemization of such (including receipts). Invoices in compliance with this Agreement shall be paid by the Owner to Vendor within 30 days after Owner's receipt of the invoice. The amount(s) and rate(s) set forth on the attached Schedule include all anticipated costs of providing the Services. No additional costs of any kind may be incurred without the prior written consent of Owner. This project is tax exempt; the Village's tax-exempt number is **E 9995 0855 05**. To the extent the terms of this paragraph differs from the terms of Schedule B, the terms of Schedule B take precedence.

9. Vendor Warranty: Vendor warrants to perform the Services to the best of its ability and in a diligent and conscientious manner and to devote appropriate time, energies and skill to those duties called for hereunder during the term of this Agreement and in connection with the performance of such duties. All Services performed by Vendor pursuant to this Agreement shall be performed in accordance with all applicable federal, state and local laws, rules and regulations. In addition to any warranties specified in the Scope of Work in Schedule A, Vendor shall transfer all product warranties to the Owner along with all documentation issued by the manufacturer for any goods to be provided under this Agreement. Vendor warrants that the title to the goods to be provided under this Agreement is good and its transfer is rightful. The Vendor expressly warrants that all goods shall be merchantable and that, in addition to all warranties that may be prescribed by law, the goods shall conform to specifications, drawings, and other description and shall be free from defects in materials and workmanship and design.

10. Insurance:

10.1 Vendor shall at all times maintain business automobile, commercial liability and workers compensation insurance covering its work and all obligations under this Purchase Order, and shall name the Owner as an additional insured on its insurance policies for Vendor operations under this Agreement. Liability insurance limits shall be in any such amounts and include such coverages as set forth on **Schedule C (Insurance Requirements)** attached to this Agreement. Vendor shall furnish the Owner with a certificate of insurance and such other required documentation (including, but not limited to, a copy of all or part of the policy if request by the Village) at the time of execution of this Agreement and thereafter on an annual basis on the anniversary date of this Agreement or at any other time as the Owner deems necessary to establish compliance with this provision.

10.2 If required by Owner, Vendor shall furnish and pay for surety bonds and with surety or sureties satisfactory to Owner, guaranteeing the full performance of all of the conditions and terms hereof and guaranteeing that Vendor shall promptly pay for all labor, materials, supplies, tools, equipment and other charges or costs of Vendor in connection with the Work. Such performance and payment bond shall be an amount determined by Owner.

10.3 Breach of this paragraph is a material breach subject to immediate termination.

11. Indemnity:

11.1 Vendor hereby agrees to indemnify, and hold the Owner, its directors, officers, employees, agents, successors and assigns (the "Indemnitees") harmless from any and all claims, demands, liability, loss, damage, fines, penalties, attorney's fees and litigation expenses (collectively "Loss") arising out of injury to, including the death of, persons and/or damage to property, to the extent caused by the negligent acts or omissions of Vendor, or those working at Vendor's direction.

11.2 In any and all claims against the Owner or any of its agents or employees, by any employee of Vendor, the indemnification obligation under this paragraph shall not be limited by any limitation on the amount or type of damages, compensation or benefits payable by or for Vendor under workers compensation acts, disability benefits acts or employee benefit acts, or other applicable law. Vendor assumes the entire liability for its own negligence, and as part of this Agreement, waives all defenses available to Vendor as an employer which limit the amount of Vendor's liability to the Owner to the amount of Vendor's liability under any workers compensation, disability benefits or employee benefit acts.

11.3 In addition to any indemnification obligations under this Agreement, Vendor acknowledges that should any items or work furnished hereunder prove defective, including damage to Owner supplied or constructed items, equipment or machinery, or if Vendor is charged with any violation of any state or federal laws or regulations, the Owner shall be entitled to recover damages for breach of this Agreement, including but not limited to consequential damages, penalties, taxes or assessments (including punitive damages), costs and attorneys' fees.

12. Termination; Force Majeure: In the event of a termination pursuant to the terms of this Agreement, Vendor shall be paid for all services performed through the date of termination, based on the percentage of services completed. In no event shall the Vendor be entitled to any additional compensation or damages in connection with a termination hereunder. Provided, neither party shall be liable to the other for breach or delay in the performance of its obligations hereunder caused by any act or occurrence beyond its reasonable control, including, but not limited to, fires, strikes, Acts of God.

13. Remedies: Vendor shall, for the duration of this Agreement, at the discretion of the Owner and at the expense of Vendor, undertake or re-do any and all faulty or imperfect Services furnished or performed by Vendor thereunder. In the event Vendor fails to perform under this Agreement, it will be in default and the Owner may furnish or perform the same and recover from Vendor the cost and expense directly or indirectly resulting there from, including all consequential damages but not limited to the cost or expense of providing such services, inspections, testings and reasonable attorneys fees as a result of a default. The foregoing remedies shall be available in addition to all other remedies available to the Owner. Vendor may terminate this Agreement or suspend performance hereunder for a breach by Owner.

14. Compliance With Laws: During the performance hereunder, Vendor agrees to give all notices and comply with all Laws and Regulations of the United States and/or the State of Illinois along with all local laws applicable to the performance of the Work, including but not limited to those Laws and Regulations regarding the payment of prevailing wages, non-discrimination laws, employment of Illinois workers, labor, wage and collective bargaining. Except where otherwise expressly required by applicable Laws and Regulations, the Owner shall not be responsible for monitoring Vendor's compliance with any Laws or Regulations. Unless otherwise specifically provided in this Agreement, Vendor shall comply with Laws or Regulations directly regulating Vendor Services and the Owner shall comply with all Laws or Regulations imposed upon it. In the event that, after the date hereof, (i) a change in Federal, State, or local law or ordinance; (ii) orders or judgments of any Federal, State or local court, administrative agency or governmental body; or (iii) a change in permit conditions or requirements increases Vendor's cost of performance hereunder, Vendor shall be entitled to compensation for such documented increased costs, but no profit thereon.

15. Notices: All notices, demands, requests or other communications which may be or are required to be given, served, or sent by any party to any other party pursuant to this Agreement shall be in writing and shall be hand delivered, or sent by courier, or via facsimile with confirmation to the addresses shown on the Purchase Order.

16. 17. Tobacco Use: Vendor, and its agents or employees, shall refrain from smoking, or the use of any tobacco, on any Village property, both indoors and outdoors, in Village-owned vehicles, and in privately-owned vehicles parked on campus property at any time, including non-working hours. Leaving the remains of tobacco products or any other related waste product on Village property is further prohibited.

18. Assignment: Neither party shall assign this Agreement without written consent of the other, except that Vendor may assign performance or collection to a directly controlled affiliate without Owner's consent.

19. Limitation of Liability; Third Party Liability: In no event shall the parties be liable for special, incidental or consequential damages (including without limitation loss of use, time or data, inconvenience, commercial loss, lost profits or savings) to the full extent such may be disclaimed by law. Neither this Agreement nor any subcontract is intended to give rise to recognize any third-party beneficiary to this Agreement.

20. Waiver: Either party's failure to insist in any one or more instances, upon the strict performance of any provision hereof or to exercise any right hereunder shall not be deemed to be a waiver or relinquishment of the future performance of any such provision or the future exercise of such right, but the obligation of Vendor and Owner with respect to such future performance shall continue in full force and effect.

21. Controlling Law, Severability: The validity of this Agreement or any of its provisions and the sufficiency of any performance thereunder shall be determined under the laws of Illinois. Venue shall be in McHenry County, Illinois. The Owner is entitled recover its reasonable attorneys' fees incurred in enforcing the terms of this Agreement. If any provision or requirement of this Agreement is declared or found to be unenforceable, that balance of this Agreement shall be interpreted and enforced as if the unenforceable provision or requirement was never a part hereof.
