# ALGONQUIN DINING GUIDE

## Restaurants Open for Carryout, Curbside Pickup & Delivery

The current closure of restaurants in the State of Illinois will have not just an economic impact on the Village of Algonquin residents, but greatly affect our small business owners and their employees. Please use this time as an opportunity to show our local business owners and workers that we support them, and value their efforts to enhance our community's quality of life.

Listed below are restaurants that are offering carryout and or/delivery as of **April 30, 2020**. Support our local economy.

If you are a restaurant that is providing takeout and/or delivery and your business is not listed, please contact Peggy Blanchard, Economic Development, at [peggyblanchard@algonquin.org](mailto:peggyblanchard@algonquin.org).
