

Maker's Park Multi-Use Path

Project Information

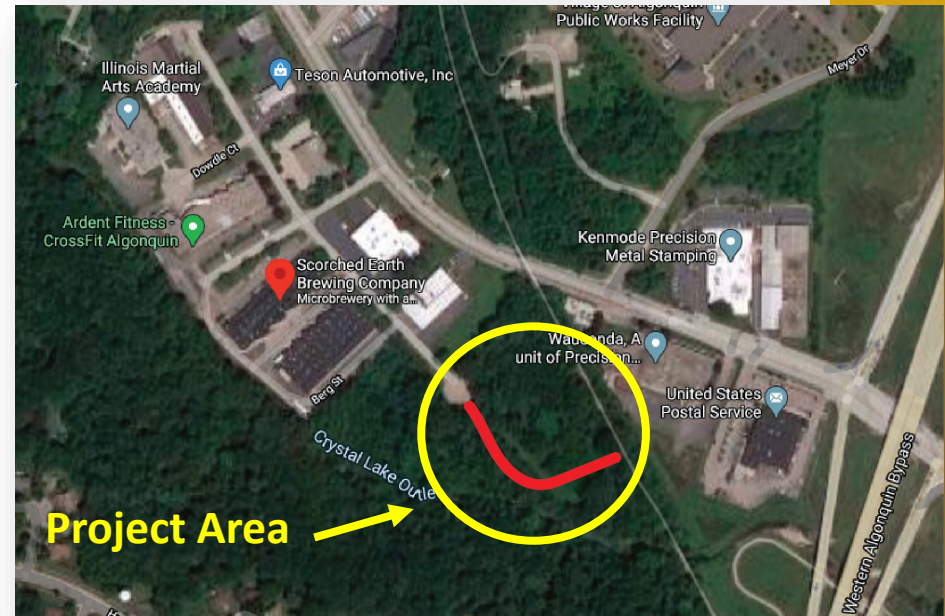

This project will serve to create a new connection for bicyclists and pedestrians within Algonquin. The construction of this multi-use path will provide a connection from the Prairie Trail to Armstrong Street and Algonquin businesses.

Project Schedule

(Weather Permitting)

- Status: In progress
- Start: Summer 2020
- Complete: Fall 2020

Project Details

- Construction will involve improving drainage to the existing wetlands.
- Residents, shoppers and employees will have an opportunity to use nonmotorized transportation to access stores, manufacturing jobs, fitness facilities and brewery via this new trail connection.
- This project is being funded, in part, through a Bicycle Path Grant Program from the Illinois Department of Natural Resources.
