Algonquin's Best Snowman Photo Contest

With the winter weather upon us, it's the perfect time to get the family together and build the best snowman in town! Creativity is key in this contest! After you have built your snowman, stand next to it and have someone take a picture. Submit your photos to recreation@algonquin.org (electronic photos only). All photos are due by March 7, 2021. We will then place all entries on our Facebook page for voting. Winners will be published in a future recreation guide and on our website.

The True Story of Sherlock Holmes - Zoom Webinar

Celebrate the birthday of Sherlock Holmes! John Gowing presents the creation and evolution of perhaps the most famous fictional detective in the history of literature.

Holmes is probably the most famous fictional detective in the history of literature. He has captured the imagination of readers all over the world since his creation by Sir Arthur Conan Doyle. Come learn about how he was created and how he evolved through the stories. It is "elementary" that you shouldn't miss this presentation!

A Zoom link will be sent via email to registrants on the day of the program.

Illinois Shotokan Karate

ISKC's karate classes help develop flexibility, strength, and coordination in fun, yet disciplined activities. This program offers a good mix of strength training, with cardiovascular and flexibility exercises. Students increase their coordination, agility and poise, as well as learn lasting personal safety skills. They also benefit from the mental stimulation of learning the choreographed moves of the kata and the discipline of conforming to the class rules.

Pre-recorded class links will be emailed Mondays at 8 a.m. from Rock 'n' Kids; participation is at the family's convenience. The links will expire one week after the last class is distributed.

Virtual Magic Classes -

Session A, B, & C

Professional magician Gary Kantor now teaches his popular magic class ONLINE. This 45-minute on-line class teaches children how to perform a number of mind-boggling tricks using everyday household items. Gary will start by explaining the secrets to the tricks, and then both Gary and the children will practice everything in great detail. Additionally, be sure to sign up for this class again since new tricks are taught each session. (When you register, you will be told the household items that are needed for the class.)
