

# Village Construction Information

## Randall Road Wetland Enhancements

Date of last revision: 4/9/2021

### Detour Information

---

No detour information is available at this time.

### Project Information

---

Restoration of wetland area between Randall Road and Stonegate Road, north of Harnish Drive and South of property adjacent to Huntington Road. This project is being done in conjunction with the Randall Road Improvement project being carried out by McHenry County Department of Transportation. This area was recently improved with a pedestrian pathway to provide access west of Randall Road via a pedestrian underpass.

### Project Map

---

Randall Road Wetland Complex  
42.62 Acres

### Project Schedule
