Special Meeting – Bus Tour
May 12, 2022
8:00 AM- 12:00 PM**

Members of the Committee of the Whole will be conducting an apartment bus tour on May 12, 2022. The purpose of this tour will be to travel to Everton Apartments to look at design, neighborhood context, amenities, costs, etc. Committee members will be traveling by bus to the apartment development during the day.

Members of the public are invited to participate in the tour by travelling on the bus or joining the Committee at each location. The bus will be leaving from Village Hall, 2200 Harnish Drive at 8:00 am. In order to ensure sufficient space for the public, any individuals who wish to join the tour are respectfully requested and strongly urged to register in advance so that the Village can ensure sufficient space for all participants. All people who register in advance will be accommodated. For those who do not pre-register but who seek to join the tour at the last minute, they may travel on the bus if space permits; if space does not permit, they will be asked to meet the group at each tour destination. In the event that there is insufficient space on the bus for all interested members of the public because not everyone registered in advance, and there is insufficient space on the bus to accommodate these people, the Committee Chair will seek to ensure that public business is not discussed on the bus portion of the tour to avoid any violations of the Open Meetings Act.
