3.15 CODE OF ETHICS

A. Declaration of Policy: The proper operation of democratic government requires that officers and employees be independent, impartial, and responsible to the people; that government decisions and policy be made in proper channels of the governmental structure; that public office not be used for personal gain; and that the public has confidence in the integrity of its government. In recognition of these goals, a Code of Ethics for all Village officers and employees is adopted. The purpose of this Code of Ethics is to establish guidelines for ethical standards of conduct for all Village officers and employees by setting forth those acts or actions that are incompatible with the best interest of the Village and by directing disclosure by such officers and employees of private financial or other interests in matters affecting Village life.

B. Code of Ethics: The requirements set forth herein shall constitute a Code of Ethics establishing reasonable standards and guidelines for the ethical conduct of Village officers and employees.

7. Complaints:

The Commission shall send, by certified mail, return receipt requested, a confirmation of the receipt of the complaint to the complainant within three business days after receipt by the Commission. The notices to the respondent and the complainant shall also advise them of the date, time, and place of the meeting to determine the sufficiency of the complaint and to establish whether probable cause exists to proceed.
- c. Upon not less than 48 hours' public notice, the Commission shall meet to review the sufficiency of the complaint and, if the complaint is deemed sufficient to allege a violation of this Section, to determine whether there is probable cause, based on the evidence presented by the complainant, to proceed. The meeting may be closed to the public to the extent authorized by the Open Meetings Act (5 ILCS 120/2(c)). Within seven business days after receiving the complaint, the Commission shall issue notice to the complainant and the respondent of the Commission's ruling on the sufficiency of the complaint and, if necessary, on probable cause to proceed. If the complaint is deemed not sufficient to allege a violation or if there is no determination of probable cause, the Commission shall send, by certified mail, return receipt requested, a notice to the parties of the decision to dismiss the complaint, and that notice shall be made public.
- d. If the complaint is deemed sufficient to allege a violation of Section 3.15-E and there is a determination of probable cause, the Commission's notice to the parties shall include a hearing date scheduled within four weeks after the complaint's receipt. Alternatively, the Commission may elect to notify in writing the Village Attorney to prosecute such actions and request that the complaint be adjudicated judicially and the Commission's notice to the parties shall indicate this fact.

- e. If the complaint is deemed sufficient to allege a violation of Section 3.15-D, the Commission shall notify in writing the Village Attorney to prosecute such actions and shall transmit to the Village Attorney the complaint and all additional documents in the custody of the Commission concerning the alleged violation. The Commission's notice to the parties shall indicate these facts.
- f. If the Commission elects to hear a case brought under Section 3.15-E, on the scheduled date and upon at least 48 hours' public notice of the meeting, the Commission shall conduct a hearing on the complaint and shall allow both parties the opportunity to present testimony and evidence. The hearing may be closed to the public only if authorized by the Open Meetings Act.
- g. Within 30 days after the date the hearing or any recessed hearing of a case brought under Section 3.15-E is concluded, the Commission shall either (i) dismiss the complaint; or (ii) issue a recommendation for discipline to the alleged violator and to the Manager or other officer having authority to discipline the officer or employee or impose a fine upon the violator, or both. The particular findings in the case, any recommendation for discipline, and any fine imposed shall be a matter of public information.
- h. If the hearing on a case brought under Section 3.15-E was closed to the public, the respondent may file a written demand for a public hearing on the complaint within seven business days after the issuance of the recommendation for discipline or imposition of a fine, or both. The filing of the demand shall stay the enforcement of the recommendation or fine. Within 14 days after receiving the demand, the Commission shall conduct a public hearing on the complaint upon at least 48 hours' public notice of the hearing and allow both parties the opportunity to present testimony and evidence. Within seven days thereafter, the Commission shall publicly issue a final recommendation to the alleged violator and to the Manager or other officer having authority to discipline the officer or employee or impose a fine upon the violator, or both.
- i. If a complaint is filed during the 60 days preceding the date of any election at which the respondent is a candidate, the Commission shall render its decision as required under Section 3.15-G7g herein within seven days after the complaint is filed, and during the seven days preceding that election, the Commission shall render such decision before the date of that election, if possible.
- j. A complaint alleging the violation of this Section must be filed within one year after the alleged violation.
- k. In the event a member of the Commission is the subject of an alleged violation of this Section, such commissioner shall immediately

recuse himself or herself from the investigation of such alleged violation, and shall take no part in the final action of the Commission regarding such alleged violation. A substitute Commissioner shall be appointed by the President, with the advice and consent of the Village Board, for purposes relating to this matter only.
