

Hill Climb Park Play Structure Replacement

Project Information

This project will improve the existing playground at Hill Climb Park. Improvements include replacement of the vehicle play structures, additional signage, and refreshed play areas.

These park improvements will enhance the usability for parkgoers and build up the park's historic reference to the Algonquin Hill Climbs.

Project Schedule

- Status: Complete
- Start: June 2022
- Completion: June 2022

Project Details

- Installation of new play vehicle structures
- Installation of additional park signage
- Installation of new signage for restored oak savanna
- Refreshed mulch play areas
