Historic Village Hall

Historic Village Hall, our only indoor facility, at 2 S. Main St., can be reserved by the hour. Rental includes the use of conference tables, chairs, refrigerator, microwave, and a kitchenette. This facility holds up to 50 people on the first floor and 30 people on the second. The Village begins accepting reservations in January of each year.

Park Rentals

The Village of Algonquin offers rental opportunities for group parties and events. Pavilions at Willoughby Farms Park, Cornish Park, Riverfront Park, and Hill Climb Park (south) are available to rent.

Towne Park located at 100 Jefferson Street is a 12-acre park located in the heart of downtown. The park features a unique playground, large shelter with plenty of tables, a rest room facility and a baseball field. Towne Park is available for rental through the fall. If you are interested make sure to check out the application for all the requirements to rent. Summer dates fill up quickly, so make sure to reserve early.

Cornish Park located at 101 South Harrison Street is a 2.43-acre park located next to the Fox River. The park has many attractive features: a playground, walking path, fishing spots, beautiful view of the river, and a gazebo. It's also located just east of Main Street, so there are always good stores to hit on your way to, or from, the park!

Young Rembrandts

Elementary Cartooning

This fall, we'll go topsy-turvy for our cartoon lessons. Eating asparagus may not sound appetizing to some, but in a Young Rembrandts classroom, it'll make for a fun and silly drawing. The never-ending rivalry rages on as the cats and dogs go at it again in the month of September. Develop a different and more expressive appreciation for vegetables as we draw veggie expressions in October. In November, weirder means better as we draw unusual pets. We'll draw these (and many more exciting lessons!) while we enhance the creative and critical thinking skills today's students need-both in the classroom and in the life-long learning process. Early learning is all about balance.

Each day in a Primrose® classroom, your child learns as much about building character—like honesty and friendship—as they do about math and reading. Our Balanced Learning® approach weaves these lessons in throughout the day because we believe who children become is as important as what they know.
