

Bunker Hill Drive Rehabilitation

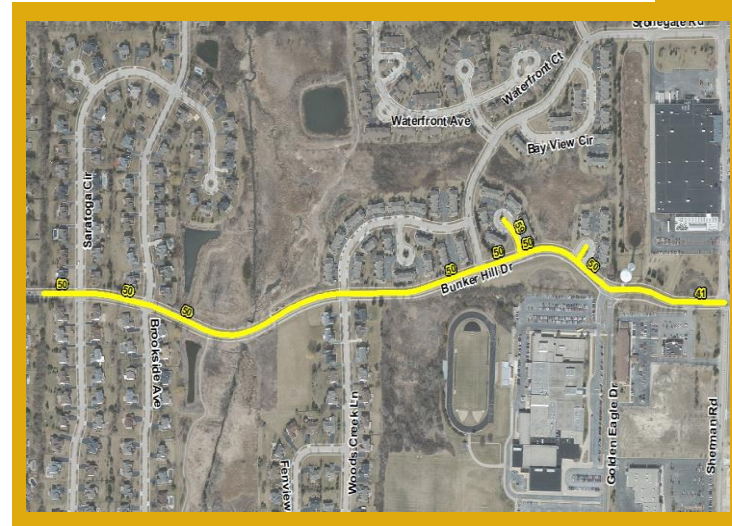

Project Information

The **Bunker Hill Drive Rehabilitation** project will replace the existing asphalt roadway, improve stormwater drainage, and evaluate concrete flatwork for repair and replacement.

Work Area: Bunker Hill Drive, from Sherman Road to Greens View Drive.

Project Schedule

Construction Year: 2023

Project Details

- Rehabilitating asphalt with the full-depth reclamation (FDR) process.
- Installing pedestrian safety features and replacing bike path from Woods Creek to Sherman.
- Selective sidewalk replacement and storm structure adjustments.
