

Rolls Drive Improvements

Project Information

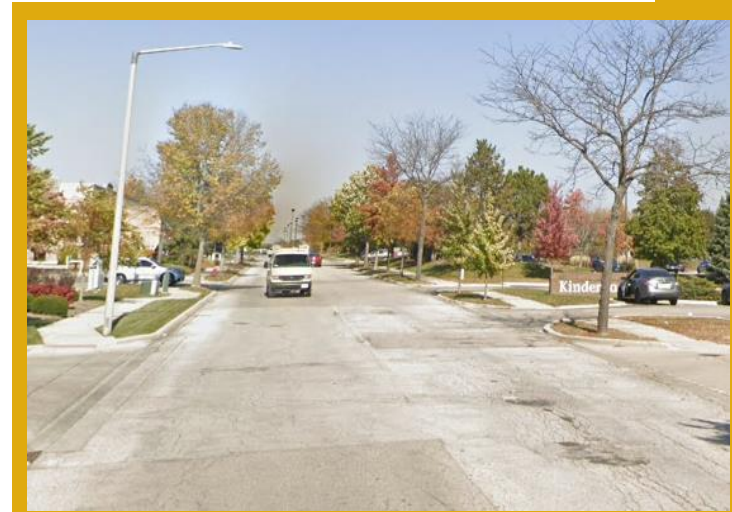

The **Rolls Drive Improvements** project will replace the existing asphalt roadway and evaluate concrete flatwork for repair and replacement.

Work Area: Rolls Drive, from Huntington Drive to Stonegate Road.

Project Schedule

Construction Year: 2023

Project Details

- Rehabilitation of the asphalt using full-depth reclamation (FDR) process.
- Striping the road to allow additional lane for left turns.
- Replacement of curb, sidewalk, and storm structures.
