

# James B. Wood Park Playground Replacement

## Project Information

This project will install modernized playground at James B. Wood Park. The replacement playground will reduce future park maintenance.

**Work Area:** James B. Wood Park, located at 3711 Persimmon Drive.

## Project Schedule

- **Start:** Spring 2024
- **Finish:** Summer 2024

*The project schedule is subject to change.*

## Project Details

- Comprehensive replacement of old playground equipment
- Upgrade to modern, low-maintenance play structures and gazebo for shade
- Replacement of half-court basketball court
